

Lowland Derbyshire Biodiversity Action Plan 2005-2010

Debbie Alston
Biodiversity Project Officer

2010 International Year of Biodiversity

Biodiversity delivery

- Recording
- Protection
- Management
- Restoration
- Creation

Awareness Raising

Have we achieved our targets?

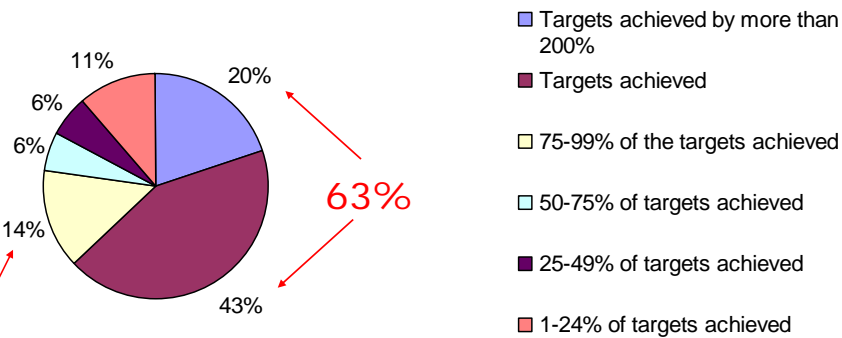

?

Have we achieved our targets?

Have we achieved our targets?

Target achievement

Problems

Lower uptake of Entry Level Scheme than hoped - Arable margins

Difficulties with continuation funding

Future funding?

How have we achieved progress?

- Agri-environmental grants
- Land restoration & development opportunities
- Management of individual sites
- Project work
